

# SEASON'S GREETINGS

We wish our members, families, and friends the warmest Christmas tidings. We encourage everyone to remember the reason for the season: God shared a tremendous gift with us. Let's share our gifts in return!

We hope to see you at our first event of 2008 as we welcome The Undertones to Jax on Jan. 11th! Comprised of 12 members of the ND Glee Club, The Undertones are acclaimed as one of the finest a cappella college music groups. They sing a mix of contemporary songs (all of them arranged by members of the group) and traditional pieces, including barbershop, folk songs, and spirituals. Come join us at 7pm at Prince of Peace Church for what promises to be a fun and memorable evening.
